### THE CROSS OF JESUS

The perception of a cross changed dramatically after Jesus' crucifixion. Before that event, death on a cross was not only horrible, it was degrading. It was a penalty reserved only for the most wretched of criminals. The word "glory" would not have found its way into the same sentence containing the word "cross." But all that changed with Jesus. Over time, believers began to venerate and honor the cross. They painted, sculpted, and carved images of it. Many lost their own lives for their association with it. Today our reverence for and relationship with the cross recalls little of the contempt originally associated with it. As it has been through the ages, it is our perception of the cross that determines how we follow Jesus.

# HELP!

## WE NEED MINISTERS OF CARE!

Our parish is in desperate need of people to be Ministers of Care. What do Ministers of Care do? They bring Holy Communion to the home bound. They visit nursing homes, and other health care facilities to provide a communion service for a small group of patients. Our parish hospital ministers are also Ministers of Care. They provide a ministry of presence to the patients at Spring Valley Hospital and Southern Hills Hospital and offer Eucharist to these patients, as well.

**"The harvest is great. The laborers are few." Luke 10:2**

Please prayerfully consider becoming a Minister of Care for Christ the King. We will provide all the needed training for each of these ministries . . . Home Bound Ministry, Nursing Home Ministry, and Hospital Ministry. The training will be held right here at Christ the King on Thursday evenings at 7 pm in Room 5, beginning Sept. 15th and run through five consecutive Thursday evenings (Sept. 15, 22, and 29; and Oct. 6 and 13).

To be a part of this vital and very rewarding ministry, call the appropriate coordinator. If you are already involved in this ministry, feel free to participate in these evenings as well.

**HOSPITAL MINISTRY ~ Deacon Rich Green at 248-9199 or Jeanette Lombordo 882-8750**

**HOME BOUND OR NURSING HOME MINISTRY ~ Jane Fransioli at 871-1904**

## The Week Ahead

Today begins the last ‘full’ week of summer: next weekend is the final “fling” of summer 2011 —Labor Day weekend! So, enjoy the week and the three-day holiday coming up!

Most parishes operate on a “school-year” mentality or calendar; that is, many programs slow down during the summer months and start again in September — in full force. So, too, here at Christ the King.

I ask you then to look at ALL the pages in this bulletin and see what’s happening at the parish and in what programs you need to register. Each year, our parish get’s busier . . . and so do your lives!

Although most schools are now in full session (in “my day” we NEVER started school until AFTER Labor Day!!!), our religious education programs usually wait a few weeks until after the kids are back in school and adjusted to “school days” (or “daze”?) again. But, we don’t want to start so late that your kids get so involved in school and extracurricular activities that religious education classes or sessions just don’t fit into their busy schedule.

I know it can be difficult for the parents to impress upon their children and teenagers (especially!) the importance of being involved in their Catholic parish and the programs that are specifically designed for young people; but, I strongly believe that it’s part of your parental responsibility to get the kids going to Mass and religious education classes on a regular basis.

Now, I fully realize how busy some families are: often both parents working, kids in different schools (e.g., elementary, middle and/or high school) plus all the other activities that so many of our kids find fun and important: soccer, football, baseball, track, basketball, swimming, cheerleading, speech and debate, scouting, music, dance, homework, household chores, part-time (or even full-time!) jobs, dating, parties, trips — whew! I’m exhausted already!

Having written all that, I hope that Catholic worship, formation, education and social life would be part of your lives and that of your children. You are really the most influential teachers your children have; and that influence can be negative or positive! Your good example is the best lesson of all: so, let’s get the WHOLE family going to Mass and participating in parish life — especially religious formation for the children and teenagers.

## Exploring Explore!

"What is it?" CTK's junior high school youth ministry program, Explore!, takes a multi-dimensional approach to youth ministry! Students learn about our Catholic faith through interesting and innovative programming, which includes music, media and prayer. "Church school" becomes a place where they get to hang out with friends, grow in their faith, and do real service that makes a real difference in our community. Over the next few weeks, we'll be pleased to share different aspects of our program with our CTK family! Watch this column for more info over the coming weeks, or call the RE office with any questions or concerns.

### Here's how to register:

Monday through Thursday 8:00 am to 4:00 pm  
and Friday 8:00 am to 12:00 pm in the  
Religious Education office located in our  
Activity Center.
