## HUMILITY

Today's reading from Sirach celebrates what will become the theme of today's Gospel: humility. Pride causes us to demand from others an exalted estimate of our status, but humility allows us to see things more clearly. It allows us a broader perspective. Humility promises us the favor of God and the love of those who know us.

The second reading is a study in contrasts: the giving of the Law on Mount Sinai and the giving of salvation on Mount Zion. The Law's appearance is greeted with solemnity, mystery, even fear. But Christians are not to be afraid. Coming to God's mountain with Jesus, "the mediator of a new covenant," is a happy, exuberant experience.

The parable in today's Gospel concerns the danger of pride and the necessity of humility. The banquet setting, often used by Jesus, is a symbol of heaven's abundance and of the fulfillment of God's promise. The parable is not simply good advice on how to avoid embarrassment; it is about salvation.

## HUMILDAD

La lectura de hoy del Eclesiástico ensalza lo que será el tema del Evangelio de hoy: la humildad. El orgullo hace que exijamos a los demás que exalten nuestro estatus, pero la humildad nos lleva a ver las cosas más claramente. Nos brinda una perspectiva más amplia. La humildad nos garantiza el favor de Dios y el amor de las personas que nos conocen.

La segunda lectura es un estudio de contrastes: por un lado la entrega de las Tablas de la Ley en el Monte Sinaí, y por otro la entrega de la salvación en el monte Sión. La primera fue recibida con solemnidad, misterio, hasta con temor. Pero los cristianos no deben temer. Subir al monte de Dios con Jesús, "el mediador de la nueva alianza" es una experiencia alegre y espléndida.

La parábola en el Evangelio de hoy se refiere al peligro del orgullo y a la necesidad de la humildad. La imagen de la fiesta del banquete, con frecuencia usada por Jesús, es un símbolo de la abundancia del cielo y del cumplimiento de las promesas de Dios. La parábola no es simplemente un buen consejo sobre cómo evitar pasar una vergüenza; se trata de la salvación.

## **NEVADANS for the COMMON GOOD MEETING** **Monday, September 16th at 7:00 pm** **Room 1 of the Activity Center**

The efforts of the Nevadans for the Common Good to address the issue of child sex trafficking made a difference. The bill, AB 67, which defines "child sex trafficking" as opposed to "pandering" and stiffens the penalties for pimps was signed into law on June 6, 2013. Now, the policy must be implemented. We must continue to be a watch dog to make sure our schools and other programs working with our youth take the steps needed to educate parents and teens about recruitment efforts going on to attract our young people to this life.

The next issue to be addressed by NCG is the "vulnerable elderly". In order to grow a constituency ready to change the present conditions faced by our elderly, it is necessary first to gather and hear their stories. You are invited to a meeting here at CTK on: Monday, September 16. Bring the stories that you or family members have faced at care homes, residences or any place in their lives where conditions are difficult.

Let's continue to build an organized constituency and demonstrate that we can act together for the common good!

## **STEW NIGHT** **Sept 4th ~ 4:00 until 6:00 pm**

We will gather in the Community Center kitchen on Wednesday, Sept. 4th, at 4:00 pm to make our monthly meal for the Catholic Worker soup line. Please join us to help us serve those experiencing homelessness.

## **THANK YOU** **To all of you who worked and supported** **FAMILY PROMISE**

Our families leave this morning to move to the next church to live for a week. Many volunteers helped to feed our families and made them feel welcome and comfortable while staying here with us this past week. Thank you for your generous spirits in "welcoming the stranger." If you were unable to give your time but contribute to the Poor Box, you were a part of this ministry also.

## **New Missals/Hymnals**

With the summer months coming to an end and people possibly having been on vacations and away, we'd like to once again call attention to an announcement that was made in July about our transitioning to a new missal and songbook here at Christ the King.

The weekend of September 21/22nd we will begin using a book entitled: "*United In Christ / Unidos En Cristo.*" There will be a missal that has the readings for the Sundays and an accompanying hymnal with music of varying styles, including hymns, contemporary and traditional music in both English, Spanish and some bilingual pieces as well, bound together in a clear plastic cover.

*Why are we doing this?* Two main reasons factored into the decision:

*The rising cost of the music licenses* to reprint the music in the songbook we were putting together along with the actual *printing cost of the book, escalating* each year. By moving to an already printed book, we will be saving approximately \$5,000 to 6,000 or more each fiscal year.

*The demographic makeup of the parish has changed.* We serve a great many Spanish speaking families and have a Spanish language liturgy as well and offer some liturgical services bilingually throughout the year. This way the missal will give an "option" to people who only speak Spanish to follow the readings in Spanish when they attend the English language mass, and vice versa. Those who only speak English will be able to follow the readings and responses in English if they attend the Spanish language mass.

We are aware that in the past history of Christ the King it was decided NOT to have missals with the readings because everyone was encouraged to "listen" and "hear" the Word proclaimed. That has not changed, by any means. The new missals will give an option to those who cannot understand the language being proclaimed or for those who have a difficulty with their physical hearing.

So too, some people are more "visually" oriented in their learning and seeing the scripture readings can help them understand the Word of God better than just hearing it.

All these things being said, know that the choice of music will also be GREATER than before. There will be an opportunity to learn new music, to sing the music we are very familiar with and to also begin singing in both English and Spanish. As we are "one body" in Christ, so too, we seek to be "one community" in prayer, which includes the prayer that is our SONG.

A great big **THANK YOU** is also extended to all those parishioners and guests who have donated so generously toward the purchase of these new missals and hymnals. Over \$8,700 has been collected thus far. This money will be used to pay for the initial cost of the books and materials as well as for the purchase of the accompanying books that will be needed for our singers and musicians. Anyone wishing to contribute toward this fund, donations are and will continue to be accepted.

We're looking forward to continued prayer and song with YOU, our Christ the King community!

## A Word from Fr. Ray

Just to let you know, many of you are still contributing to funding of our computers and new hymnals. Thank you again for your generous donations to both those causes. We are looking forward to now using them starting at the end of the month.

Many of you have asked about the repair of the roof of the Church, and we will need to do some creative fundraising towards that project, at which time we will be commencing the first phase of our five year plan. I am open to any suggestions as to fundraising, and or putting me in touch with people and or organizations that would be a resource to contribute to that effort.

Without being redundant, I ask that the many donors to the CSA campaign to complete your pledges before the end of December. It is important to keep up with your installments and in finalizing these pledges. I thank you again on behalf of Bishop Pepé for your continued support to the CSA campaign and greater support of the Diocese.

I'd like to remind you also that there are some important events happening in our Parish. The Ladies CHRP Retreat will begin on September 14, 2013. This is wonderful opportunity to grow spiritually and deepen your understanding as how God calls each of us. We also will be celebrating San Lorenzo at the end of the month on Saturday the 28th. Please be sure to get your tickets early for this event, as it does sell out quickly. This is a great celebration for the entire parish, and our Filipino Community really pulls out all of the stops for this event....not to mention the great food and music.

With much love and gratitude, Fr. *RAY*

## TREASURES FROM OUR TRADITION

The readings today center on mindfulness, awareness of where we stand in God's plan. The mountain of Sinai carries a message of the majesty and distance of God, while Jesus' presence as host of the banquet speaks of intimacy and mystery. September's shadow calls us all to mindfulness as we prepare to return to life outside of summer. The Christian life holds these two places of knowledge of God in careful balance. Even in the accounts of the Passion we see the table of the upper room in balance with the Mount of Olives.

*Altar* means "high place," yet it is also a table. The former liturgy of the Latin Rite began with the priest bowing at the foot of the altar's three steps, chanting *Introibo ad altare Dei*, or "I will go to the altar of God," followed by the altar servers' response, "The God who gives joy to my youth." Many parishioners can recall and recite this scene by heart. As with so many things in liturgy, there are layers of meaning in our worship. The altar table evokes memories of the high places once reserved for encounter with the holy, and the intimacy of the table where hospitality draws us to share food and drink.

## TRADICIONES DE NUESTRA FE

Por esta época recordamos la natividad de María, madre de Jesús. María es muy popular entre muchos pueblos y en especial en los pueblos latinos. Al principio del mes de septiembre dos naciones toman la fiesta de su nacimiento para recordarla bajo el título de la Virgen de la Caridad del Cobre en Cuba y de Nuestra Señora de Coromoto en Venezuela.

La Virgen del Cobre fue descubierta en el siglo XVI por dos indígenas y un niño africano llamados los tres Juanes, cuando estos fueron al mar en busca de sal. Después de una fuerte tempestad ellos encontraron flotando sobre las olas una pequeña imagen de María con el Niño Dios en brazos. La imagen flotaba sobre una tabla que decía yo soy la Virgen de la Caridad. Milagrosamente la imagen estaba seca.

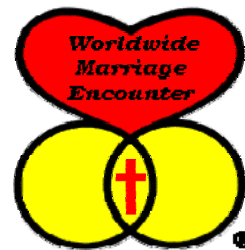

También en el siglo XVI la Virgen se le apareció al cacique de los indígenas Coromoto en Venezuela. Estos resistían la evangelización y ella se apareció sobre las aguas invitándolos al bautizo cristiano.

Estas dos manifestaciones marianas llevan a Jesús en brazos recordándonos que María nada puede sin Cristo.

—Fray Gilberto Cavazos-Gluz, OFM, Copyright © J. S. Paluch Co.

We are called to be like Jesus who is "meek and humble of heart." Do we "conduct our affairs with humility"? Do we "humble ourselves"? Jesus wants us to put others first and to treat them with kindness, respect, love and compassion. Allow Jesus to transform your marriage and show you how to truly love your spouse; sign up today to attend the next Worldwide Marriage Encounter weekend: September 27-29<sup>th</sup> in the Las Vegas area.
